

GAME

game is 5v5 and each team has an extra centre mid and two wingers, the two wingers must stay wide and the cm has to always try and play to a winger when possible, apart from that it is a completely free game with the players allowed to go anywhere and have free play.

scoring: 10 passes is a goal or goals can be scored as normal this encourages players to use the width as either an opportunity to score, an opportunity to possess the ball or as a decoy to play centrally
